

Community Grants Program

This information is from South East Water

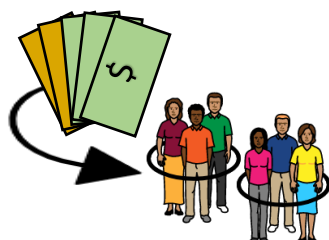

You can apply to South East Water for money to help your community group or charity

Grants program helping community

A **community** is a group of people who have something in common

A **grant** is an amount of money

South East Water is giving grants to registered charities and groups to help their communities.

This is because they help its customers to:

- Be active

- Meet other people

- Manage money

- Help others

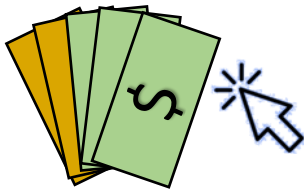

- Stay safe

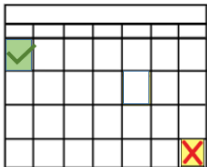

- Care for the environment

- Use water wisely

Your community group or charity can apply for a grant from \$500 to \$10,000

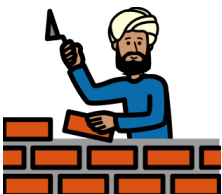

- You can apply from 13 March 2023
- Applications **close** at 5pm on 21 April 2023

You can use the grant to:

- Run a project or event

- Build something

- Buy something

How to apply for a community grant

1. Go to southeastwater.com.au/grants

2. Click on the 'Begin Application' button

3. Fill out the form
